

Alert number

[A12/01092/21](#)

Product

Single-use electronic cigarette

Risk type

Chemical

Based on the labelling, the product contains nicotine, which is classified as acutely toxic, but lacks a leaflet providing the consumer with information about safe and correct use of the product. The user therefore has no information to avoid the dangers incurred when the product comes into contact with the skin or if it is ingested.

The product does not comply with the requirements of the Tobacco Products Directive.
