
Alert number A12/03521/24

| | |
|------------------------|---|
| Notifying country | Ireland |
| Product category | Chemical products |
| Type | Consumer |
| Product | Disposable electronic cigarette |
| Name | MK Bar 7000 Disposable |
| Packaging description | Green cylindrical-shaped container with a straw like mouthpiece on the top and pictures of limes and ice cubes in a green rectangular cardboard box with pictures of limes and ice cubes on the front. |
| Brand | McKesse |
| Type / number of model | Lime Mojito |
| Product description | Disposable electronic cigarette with a declared volume of 12 ml. |
| Risk type | Chemical |
| Risk description | The product has an excessive amount of nicotine-containing liquid (measured value: 9.2 ml) and an excessive concentration of nicotine (measured value over 30 mg/ml). This could lead to the accidental consumption of a high dose of nicotine. Nicotine is acutely toxic and can endanger the user's safety, notably if the product comes into contact with the skin or is ingested. |

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the requirements of the Tobacco Products Directive.
