Product description Set of refillable and rechargeable electronic cigarettes with a battery capacity of 1000mAh. Product sold online, in particular via Amazon (ASIN: B0DK5DJJSZ)

Risk type Chemical

Risk description This product can be used for consumption of nicotine-containing liquid. As the refill opening of the electronic cigarettes can be easily opened and the refill opening does not have a mechanism to ensure refilling without leakage, the user or children could have direct contact with the nicotine. Nicotine is acutely toxic and can endanger the user's safety, notably if the product comes into contact with the skin or is

	ingested.
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product does not comply with the requirements of the Tobacco Products Directive.
Country of origin	People's Republic of China
Measures ordered by public authorities	Import rejected at border Distributor
Date of entry into force	04/03/2025
