

Alert number SR/02217/25

Notifying country Malta

Product category Chemical products

Type Consumer

Product Electronic cigarette

Name Joker 24K

Packaging description Cardboard box.

Brand JNR

Barcode 6977704950099

Product description Refillable electronic cigarette sold with two 10 ml refill containers. The electronic cigarette tank can hold the volume of one refill container i.e. 10ml. Product sold online, in particular via gfc-provap.com.

Risk type Chemical

Risk description The product can contain an excessive amount of liquid (declared value: 10 ml). This can lead to accidental consumption of a high dose of nicotine. Moreover, the product lacks a child-proof fastening and opening mechanism and is not protected from leaks. As a result, a child could become accidentally exposed to it when handling the product. Nicotine is acutely toxic and may endanger the safety of the user, especially if the product comes into contact with the skin or is

	ingested.
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The product does not comply with the requirements of the Tobacco Products Directive.
Country of origin	People's Republic of China
Measures ordered by public authorities	Import rejected at border Other
Date of entry into force	02/06/2025
